Dizzie

With a deceptively simple, visually striking, silhouette, Dizzie tables are ideal for diverse settings from the domestic to the commercial. The sensuous, organic shape of the base suggests a drop of mercury. Table bases are available in chrome or white lacquered steel. White MDF tops are available in large oval, round, square or small oval. The smallest version (51x47cm) is available with oval base and table top edge lacquered in seven vibrant colors light blue, grey, moka, red, sand, green and black in addition to white.
