## Design by Jean-Marie Massaud, 2007

Art. 1924: armchair with gas height adjustment mechanism

Armchair with five way swivel base in polished aluminium, mounted on self-braking castors, equipped with gas height adjustment mechanism. The shell support is available with a polished or painted finish. The spring providing the tilt movement is available in chromed or red version. The polyurethane shell is upholstered in leather, faux leather, fabric, or customer's fabric.
