

A photograph of a modern interior space. Two light brown leather chairs with tufted backs and seats are positioned on a dark brown rug with a white geometric pattern. The rug features a repeating star-like or honeycomb design. In the background, a large window with black frames looks out onto a bright, possibly snowy, outdoor area. A small framed picture is visible on the wall behind the chairs. The word "Milek" is overlaid in a large, white, serif font across the center of the image.
