

OCTA

design Bartoli Design - 2013

Order in disorder, lightness, a filigree pattern - these are some of the characteristics that come to mind when thinking about this product, which is designed to be unusual and elegant.

Octa is a fixed table featuring a base in painted metal (white or matt anthracite grey), chromed metal or black nickel. The table top is rectangular and is available in various finishes: white or matt anthracite grey lacquered wood; solid American walnut-wood or anthracite grey brushed oak-wood; natural walnut-wood; acid-treated white or acid-treated black extra-light glass.
