Serie di tavolini caratterizzati dalla forma a croce della base realizzata in piatto di acciaio e dalla coloritura delle strutture,

pensati nella variante con piano quadrato con o senza cassetto, oppure rotondi con uno o due piani.

The Eileen series of small tables is distinguished by a cross-shaped base in flat steel and by the colours of the

frames. The tables are available with a square tabletop with or without drawer, or with a round tabletop with one or two levels.

**Struttura di sostegno**

trafilati d'acciaio cromato lucido o verniciato:
