cucitura a contrasto/contrast stitching

cucitura tono su tono/matching tone stitching

T102P-3N - T177AD-3N

T102C-4N - T143AD-4N

Tutti gli elementi sono disponibili nella versione destra e sinistra. / All modular elements are available in left and right version.

■ Con Tufty-Too, Patricia Urquiola riprende uno dei progetti di maggior successo nella sua collaborazione con B&B Italia e conferisce a questa famiglia di divani un nuovo aspetto, morbido

e contemporaneo. Il rivestimento, facilmente sfoderabile, è caratterizzato da cuciture tono su tono o a contrasto che diventano anche motivo decorativo.

■ With Tufty-Too, Patricia Urquiola recalls one of the most successful designs in her collaboration with B&B Italia and adds a new, contemporary and soft appearance to this family of sofas.

The cover, easily removable, is distinguished by matching tone stitchings or contrast stitchings that become a decorative motif.
