CHAIRS

Antonio Citterio

## Description

Antonio Citterio interprète sous un jour contemporain le design classique des chaises chinoises, en redécouvrant la manualité artisanale du bois tourné et cintré auquel s'ajoute le cuir des assises et des dossiers pour enrichir le projet. Pour la chaise Jens, avec accoudoirs de deux types et sans accoudoirs, le choix du bois en chêne ou wengé naturel offre différentes variantes de tonalité.
