DIMENSIONS

Lying position: L 610 mm / W 440 mm / H 460 mm

Feeding position: L 610 mm / W 440 mm / H 550 mm

KEY FEATURES

FEEDING. SLEEPING. BOUNCING.

The LEMO Bouncer has all of your baby's needs covered, whether they want to eat, sleep or bounce.

ADJUSTABLE BACKREST

Recline the backrest when your baby gets sleepy or sit them up for mealtimes. Asleep or awake, comfort is always assured.

SELF-BOUNCING

Your baby can bounce themselves in comfort – perfect for relaxing and going to sleep, or for having fun when it's playtime.

Safe and Adjustable Restraint System

The soft padded harness secures your baby in absolute comfort. Optional shoulder straps add extra safety for peace of mind.

Breathable Backrest

A breathable mesh keeps your baby cool and comfortable.

Lemo Bouncer Comfort Pack

Includes a newborn inlay for safety and ergonomic comfort for your baby's first months. A head hugger gives extra support.

Easy Set-Up System

The LEMO Bouncer is fast to assemble thanks to its easy one-click system. Disassembly for space-saving storage is just as simple.
