## DESCRIPTION

Antique is a unique imitation of the well-known antique mirror glass ("verre églomisé"), but in this case manufactured with modern production techniques. To enhance the atmosphere, the designer used a special motive in a dark colour, printed on the back of the mirror in order to imitate a frame. The ensemble creates a very trendy vintage mirror that can be used as a regular mirror but functions beautifully in any interior as a wall decoration. Both mirrors can be hung in 2 directions.
