## DESCRIPTION

The Antique mirror is an imitation of the well know antique mirror glass, manufactured with modern production techniques. To enhance the atmosphere, the designer used a fine line in a dark colour, printed on the back of the mirror as a frame. The ensemble creates a very trendy vintage mirror that can be used as a regular mirror but functions beautifully in any interior as a wall decoration, especially when displayed in combinations of 2 or 3. This mirror can be hung in 2 directions.
