DESCRIPTION

ARBO ICE is both rugged and delicate, a robust tree on a fragile mirror glass. A nice, friendly mirror thanks to its natural shape and print, which is poetically interpreted in a frosted white colour. This iconic mirror reflects the interior in a muted way, filtered by the soft and subtle annual rings that are traced on the mirror glass. Depending on the

reflection, the colours in the mirror will change and adapt. Bring nature into your home. Arbo is also available in a dark, true-to-life coloured version.
