DESCRIPTION

GLOBO is a simple but very impressive, circular mirror with a diameter of 122.5 cm and an impressive 2 cm wide beveled edge. At the top of the mirror there is an oval-shaped opening through which the mirror may be hung on the specially-designed solid oak peg. A notch in the peg both holds the mirror a clear 2 cm away from the wall and ensures that it cannot slide off. GLOBO is clean & contemporary, beautiful in its simplicity and impressively-sized.
