## DESCRIPTION

LUCKA OUTDOOR BLACK XXL is the first design mirror specifically developed for OUTDOOR USE. Enlarge your garden or terrace, create a window to catch more light and discover beautiful hidden spaces. This innovative mirror is rain-, sun- and windproof thanks to its specially treated silver surface and its extra secure outdoor suspension system. The mirror is very sleek and comes with a high-quality aluminium frame in a satin black finish. It is recessed slightly so that it is well protected but appears to float within the frame. The mirror can be hung in two directions and is also available in a gold version and different sizes. Additionally, it can be made to your exact size from one single piece onwards.
