Item No. 8045.CSB

A very refined and simple full length mirror consisting of two beveled mirror pieces glued on a black fibreboard (MDF) backing. The two pieces are not entirely flat but are tilting in opposite directions, creating a special effect in the reflection. Although it was designed as a hall mirror, it can

DESCRIPTION

A very refined and simple full length mirror consisting of two beveled mirror pieces glued on a black fibreboard (MDF) backing. The two pieces are not entirely flat but are tilting in opposite directions, creating a special effect in the reflection. Although it was designed as a hall mirror, it can also be hung horizontally above a side board or in a bedroom.
