MIRAGGIO

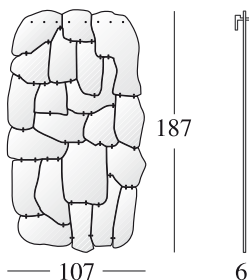

Specchiera da parete formata dall'assemblaggio di sagome di forme differenti in metacrilato colorato specchiato (Colorflex), tagliate al laser e unite da fascette di nylon, disponibili nei colori a campionario. Il sostegno a parete è in profilato di alluminio.

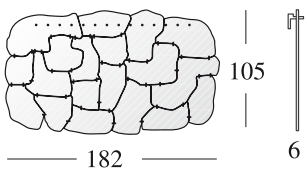

A wall mirror whose coloured reflective acrylic (Colorflex) frame has been laser-cut and bound by a series of nylon strips. Available in a range of different colours. Secured to the wall by an aluminium profile.
