

Gilda B.

Jacopo Foggini

General description:

Liquid like whiskey. Warm amber tones as the leaves of tobacco wrapped in transparent crystal.

Seat and back are a single body of extruded polycarbonate, mounted on semi-glossy black legs.

Timeless elegance.

Technical description:

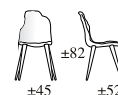

Polycarbonate seat shaped by hand and legs painted in semi-glossy black.

Only one version of translucent color with shades of amber.

Each chair is different from the other for the distribution of the material, shape, size, height of the backrest and color.
