## Jacopo Foggini

### General description:

Chair with armrests, entirely handmade in polycarbonate. It is supported by a pedestal that allows rotation. The stem is black. The petals of transparent and soft hues mix green and blue.

### Technical description:

Seat and backseat formed by a monocoque of polycarbonate shaped by hand.

Transparent color veined by green / blue.

Swivel base in semi-gloss varnished metal.

Each piece is handmade and always different in size, shape and color.
