## Ambiloom® Floor 250

### Floor light

Ambiloom® Floor 250 is a floor lamp with a luminaire head with noble textile surface. The luminaire head owns a upwards directed light source for an indirect room illumination. In addition the luminaire fascinates with ambient lighting. It is designed to provide a pleasant atmosphere in the room. The luminaire is made up with our patented ETTLIN LUX® and is operated with a foot switch located at the cable. The LED strips inside are warm white.
