SCENE

Let yourself be surprised by SCENE with its many details. Individually adjustable backrests and turnable seats change the sofa easily into a small suite, a lounge or even - with the backrests folded down - into a single or double bed. While the seats are turned forward, the additional adjustable armrests can further be used as a table. Armrest cushions are also available. (Design G. Assmann, A. Kleene)

TECHNICAL DATA

Width 272cm

Depth 96cm

Height 85cm

Seat width 136cm (2x)

Seat depth	49cm
Seat height	43cm
Deck height	43cm
Lying surface	87 x 197cm (2x)
Armrest width	45cm
Armrests	Either with or without foldable armrests.
Cover	Diverse choices of fabrics, microfiber, imitation leather or leather.
Frame	The frame structure is made of beech wood and wood materials. The underframe is covered with the chosen fabric. Under the legs: Silver painted cover made of beech wood.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric. Sandwich construction in the seat: Polyether and springing of wooden flat springs covered with felt.
Function	Both seat elements can be turned by 90 degrees. The backrests are multiply and separately adjustable. The head section of the back can be folded forward and backward. Optional armrests are multiply adjustable, too.
