Lampada a sospensione a luce LED. 6 sfere in cristallo trasparente soffiato a bocca. Disponibile anche nella versione con 4 sfere. Parti metalliche in ottone brunito a mano. L'ottone risulta naturalmente macchiato e disomogeneo. Questa lavorazione artigianale conferisce ad ogni pezzo una particolare unicità, rendendolo esclusivo. L'altezza può essere realizzata a misura, da un minimo di 85 cm (Bolle 6) e 73 cm (Bolle 4) ad un massimo di 600 cm (incluso corpo luminoso).

Hanging lamp with LED point light. 6 transparent blown glass spheres. Available also version with 4 spheres. Metal parts in hand burnished brass. The hand burnished brass finish looks naturally spotted and irregular. Due to this craft made processing, each product is unique and exclusive. The height can be customised from a minimum of 85cm (Bolle 6) and 73 cm (Bolle 4) to a maximum of 600 cm (including lights).
