

Fifty glass EXTENSIBLE

Designed by Ruggero Magrini and Bluezone

50mm. it is the distinguishing feature of Fifty. Extendible table with anodized aluminium frame and glass top. The extension device with two extensions, fitting into only 50mm, allows the top to be extended easily, while remaining perfectly stable. Also available in monochrome option.

Finish of frame:

- Anodised aluminium
- Aluminium with white lacquer
- Aluminium with anthracite grey lacquer
- Aluminium with black lacquer

Finish for external details/extensions:

- Anodised aluminium
- Aluminium with white lacquer
- Aluminium with anthracite grey lacquer
- Aluminium with black lacquer

Finish of top:

- Gloss glass in standard colours: extra white, anthracite, black, titanium
- Gloss glass in RAL/NCS range colours on request
- Matt glass in colours: extra white, anthracite grey, black, titanium

- New “Infinity System”: the Kristalia system that provides complete colour customization for the glass top.
- The colours of glass panels marked with grey (■) have longer delivery times: approximately 6 weeks from the order date.
- Tables that extend to more than 250 cm have a top that slightly bends, which complies with accepted quality standards.
