

## Neat

Designer Christophe Pillet

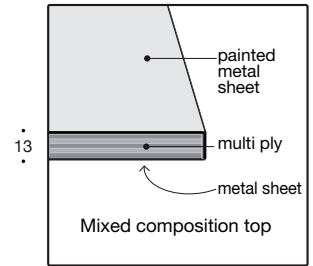

This collection of tables is ideal for any space and use: from the office to home areas. It has an aluminium structure, always with an integrated cable holder, and a marine plywood top faced with epoxy-lacquered sheet metal, with an attractive textured finish.

### Leg finish:

Aluminium with white lacquer

### Finish of top:

Steel painted white

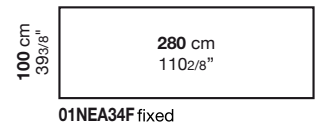

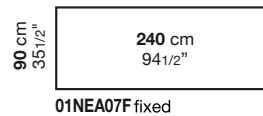

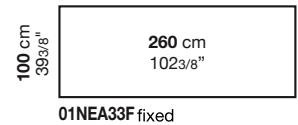

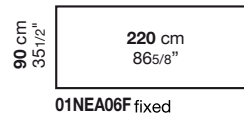

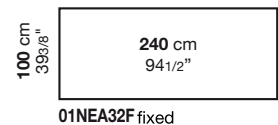

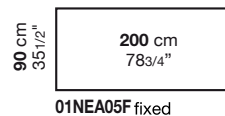

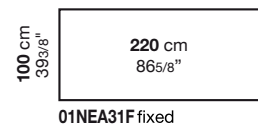

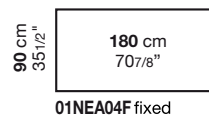

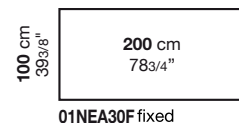

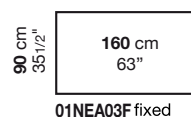

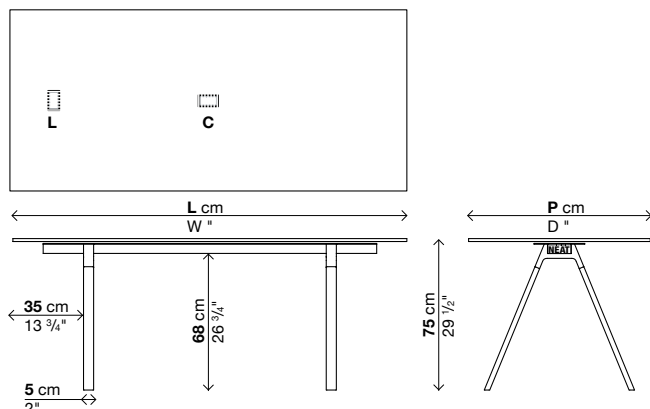

Code	Measures (cm.)	Finish of legs	Finish of top	Vol.
