~ STRONG DESIGNS DEFY THE TIMES ~

The legendary Leolux armchair 200 by Axel Enthoven from 1978 is being launched again after around three decades, now under the name of CéCé. Comfort and technology of this swivel/reclining armchair have been completely adapted to modern requirements, but the characteristic appearance has been retained.

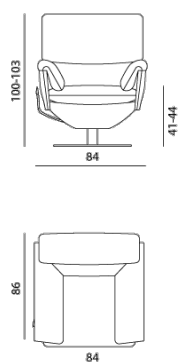

- Available as swivel/reclining armchair and matching footstool.
- The shell foot is finished in stainless steel: Option: lacquer or epoxy.
- Handle and grip are finished in aluminium and chrome: Option: lacquer.
- Extra comfort option: seat height -3 cm.
