

MAYON

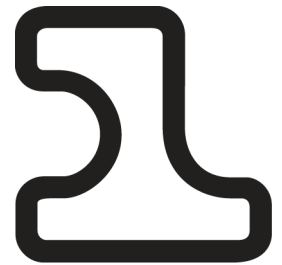

DESIGN: CHRISTIAN WERNER, 2012

~ REFINED DOWN TO THE DOTS ~

It has a familiar look, but amazingly active comfort and refined details: Mayon from Leolux has organically waving lines, feet that run precisely into the seams on the front and exclusive fabric finishing, the friendly “dimples” on the arms and back. Subtle down to the dots.

- Available as armchair, 2-seat, 2.5-seat, 3-seat sofa and footstool.
- Extra comfort thanks to the sprung arms.
- Aluminium feet (option lacquer) in three heights: standard, +2 and -2 cm
- Extra comfort option: seat depth -2 cm
