

PH 3/2 DUSTY TERRACOTTA TABLE LAMP

PH 3/2 Dusty Terracotta Table Lamp - 5744173308

The PH 3/2 Dusty Terracotta Table Lamp is based on Poul Henningsen's System PH, with three glass shades providing downward-directed, glare-free illumination while emitting a pleasant glow. The four-layered, mouth-blown, dusty terracotta-coloured glass is glossy on the outside and sandblasted matte opal white on the inner side, providing poetic and warm light.

Poul Henningsen

Poul Henningsen was born in Copenhagen by the famous Danish writer Agnes Henningsen. He never graduated as an architect, but studied at The Technical School at Frederiksberg, Denmark from 1911-14, and then at Technical College in Copenhagen from 1914-17.

Product info

Environmental Product Specification

This product is compliant with the requirements contained in the European Directives, RoHS Directive 2011/65 and 2015/863. This product is designed so that 100% of the product can be disassembled and reused.

Mounting

2.8 m. Dark brown textile cord. Through-switch.

Finish

<p>Mouth-blown four-layered dusty terracotta coloured glass with a white sandblasted underside. Aged brass brushed with fine hairlines, laquered.</p>

Materials

Mouth-blown four layered dusty terracotta coloured glass, glossy on the outside, sandblasted on the inside. Top plate, base and stem: Aged brass, brushed with fine hairlines and treated with laquer. Please note the treated aged brass will not change over time.

Sizes and weights

width x Height x Length (mm) | 285 x 472 x 285 Max 3.6 kg

Class

Ingress protection IP20. Electric shock protection II w/o ground.

Light source

1x40W E14
