RA 07 *(Designer B. Fattorini)*

indoor/outdoor

H 30 - 35

Round coffee tables

STRUCTURE

A central four-point-star base **in cast aluminium lacquered in white or anthracite grey.**

TOPS

A 8 mm thick tabletop made of a **glass panel and a 3 mm thick plate of laminated ceramic. Satin finish in white and anthracite grey.** A patented panel from MDF Italia (Patent Pending).

For the technical specifications of laminated ceramic, please see on page 4.13.

SIZES

Dia. 70 cm in height 30 or 35 cm.
Dia. 80 cm in height 30 or 35 cm.

NB: Any material left outside, even if properly treated, can have superficial molecular and colour changes during its lifetime. Of course, the amount of alterations is directly related to the amount of exposure to weather and to the geographical area (for ex., high humidity and/or salinity). Regular maintenance, for instance periodic cleaning with water, increase resistance to corrosion.

PRICE FOR FRAME + TOP:

sizes cm	code
ø 70 x H 30	0422-223
ø 80 x H 30	0422-127
ø 70 x H 35	0422-223
ø 80 x H 35	0422-127

note

When ordering, please specify table height and desired finish

note

The material can have slight impurities, due to the particular production treatments, still accepted quality standards are complied with.

The quality of all tops is tested before delivery. Assembly instructions and tips for cleaning and maintenance are included.
