

LEONARD

DESIGN RODOLFO DORDONI

Struttura: in legno massello con cinghie elastiche ad alta componente di caucciù. Preparazione della struttura sedile in poliuretano espanso a quote differenziate ad alta densità con sede concava per accogliere il cuscino migliorandone sofficià e durata. Braccioli e schienali rivestiti nella parte superiore con materiale termosensibile (Memory Foam) e trapuntino in piuma d'oca canalizzata. Ulteriore rivestimento in fibra termolegata traspirante accoppiata con tela di cotone bianca anallergica che conferisce morbidezza.

Cuscinitura: imbottitura cuscino schienale e sedile in piuma d'oca canalizzata (certificata Assopiuma, etichetta oro) con inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza. Cuscini sedile completamente reversibili.

Sfoderabilità: cuscini sedile, cuscini schienale e struttura completamente sfoderabili in tutte le versioni (tessuto e pelle). Il divano può essere sfoderato senza smontare la base. Un profilo rifinisce il perimetro della fodera della struttura dello schienale e del bracciolo.

Base: portante e perimetrale in estruso di alluminio con elementi di giunzione in alluminio pressofuso (entrambi su disegno esclusivo Minotti Studio), verniciata extra-lucida anti-touch nel colore Peltro. Appoggio a terra tramite scivolanti in nylon.

CUSCINO CLAIRE "RELAX"

Cuscino con imbottitura 100% piuma d'oca canalizzata. Fodera in tessuto o pelle con confezione con motivo a rombi accoppiata a fibra anallergica.

Il poggiatesta del cuscino Claire "Relax" include un inserto in materiale antideformante che permette di mantenere il cuscino aderente allo schienale del divano. Cerniera in metallo disponibile nelle finiture Oro opaco e Peltro, con cursore personalizzato con logo Minotti. Completamente sfoderabile.

N.B.: quando il cuscino "CLAIRE Relax" è rivestito in tessuto, solo la parte poggiatesta verrà confezionata con motivo a rombi, mentre la parte poggiaschiena rimarrà liscia.

Structure: in solid wood with high natural rubber content elastic strap webbing. Preparation of the seat frame in high resilience variable-density polyurethane foam with concave contour to cradle the cushion, maximizing softness and durability. Upper portion of armrests and backrests covered with heat-sensitive (Memory Foam) and wrapped in channelled goose down quilting. An additional casing in breathable heat-bonded fiber laminated to white hypoallergenic cotton canvas ticking lends superior softness.

Cushions: channelled goose down (certified Assopiuma, gold label) padding for backrests and cushions with center insert in high resilience variable-density polyurethane foam. Seat cushions are completely reversible.

Covers: seat cushions, backrest and structural covers are completely removable in all versions (fabric and leather). Covers come off without removing the base. Backrest and armrest covers feature piping trim around the perimeter.

Base: weight bearing and perimeter frame elements in extruded aluminum with cast aluminum joints (both are exclusive Minotti Studio designs), painted high-gloss anti-fingerprint Pewter finish. Rests on nylon slides.

CLAIRE "RELAX" CUSHION

Cushion with 100% channelled goose down padding. Fabric or leather cover with diamond-pattern stitching bonded to hypoallergenic fiber.

The Claire "Relax" headrest cushion includes a rigid material insert that aids adherence of the cushion to the sofa backrest. Metal zipper available in the opaque Gold and Pewter finishes, with zipper pull bearing the Minotti logo. Cover completely removable.

N.B.: in the fabric-upholstered version of the Claire "Relax" cushion, only the head-rest part is stitched with the diamond pattern, while the backrest remains smooth.

Gestell: Aus Massivholz, gefedert mit elastischen Riemen mit hohem Kautschukanteil. Aufbereitung des Gestells mit unterschiedlich dick geschäumtem, hochdichtem Polyurethan mit konkaver Sitzfläche, so dass dem Kissen noch größere Weichheit und Haltbarkeit verliehen wird. Arm- und Rückenlehnen sind am oberen Teil mit wärmesensiblen Material (Memory Foam) und einem mit kanalisierten Gänseedaunen gefülltem Steppstoff bezogen. Darüber ein weiterer, atmungsaktiver Thermofaserbezug kombiniert mit antiallergischem weißem Baumwollstoff, der noch mehr Weichheit verschafft.

Kissen: Polsterung der Rücken- und Sitzkissen mit kanalisierten Gänseedaunen (Zertifizierung Assopiuma, Goldetikett) mit zentralem Einsatz aus unterschiedlich dick geschäumtem, hochdichtem Polyurethan. Sitzkissen beidseitig benutzbar.

Abziehbarkeit: Sitz-, Rücken- und Struktur sind in allen Ausführungen (Stoff und Leder) vollkommen abziehbar. Das Abziehen des Bezuges erfolgt ohne das Metallgestell abzumontieren. Ein Profil zeichnet die Umrandung der Polsterung von Arm- und Rückenlehne nach.

Grundgestell: Das Gestell, das das gesamte Sofa trägt und umrandet, ist aus stranggepresstem Aluminium mit Verbindungselementen aus Aluminiumdruckguss (beide nach exklusivem Design von Minotti Studio) und ist zinnfarbig hochglanzlackiert mit Anti-Touch-Finish. Bodenaufgabe mit Nylongleitern.

KISSEN CLAIRE "RELAX"

Kissenfüllung 100% aus kanalisierten Gänseedaunen. Bezug aus Stoff oder Leder mit Rautenmuster, kombiniert mit antiallergischer Faser.

Die Kopfstütze des Kissens Claire "Relax" enthält einen Einsatz aus unverformbarem Material, mit dem das Kissen immer eng an der Rückenlehne anliegt. Metallreissverschluss mit personalisiertem Schieber mit dem Minotti Logo, erhältlich in den mattgold und zinnfarbig Ausführungen. Vollkommen abziehbar.

N.B.: Bei dem Kissen Claire "Relax" mit Stoff bezug wird nur der Teil der Kopfstütze mit Rautenmuster hergestellt, während der rückenstützende Teil ungemustert bleibt.

Structure: en bois massif avec sangles lastiques à haute teneur en caoutchouc. Préparation de la structure de l'assise en polyuréthane expansé à épaisseurs différentes, à haute densité avec logement concave pour accueillir le coussin et en améliorer la moelleux et la durée. Accoudoirs et dossiers doublés, dans la partie supérieure, de mousse termosensible à mémoire de forme (Memory Foam) et d'une petite couette en plume d'oie canalisée. Second revêtement en fibre thermolée respirante doublée de toile de coton blanc anallergique donnant de la souplesse.

Coussins: rembourrage coussin du dossier et de l'assise en plume d'oie canalisée (certifiée Assopiuma, étiquette or) avec insert central en polyuréthane expansé à hauteurs différentes à haute résilience. Coussins de l'assise entièrement réversibles.

Déhoussage: coussins de l'assise, coussins du dossier et structure entièrement déhoussables dans toutes les versions (tissu et cuir). Le déhoussage se fait sans enlever la base. Un cordon finit le pourtour de la housse du dossier et de l'accoudoir.

Base: portante et périmétrale en aluminium extrudé, éléments de jonction en aluminium moulé sous pression (tous les deux d'après dessin exclusif de Minotti Studio), peinture extra brillante anti-trace couleur Étain. Appui au sol par des patins en nylon.

COUSSIN CLAIRE "RELAX"

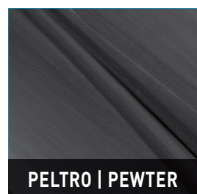

Coussin avec rembourrage 100% plume d'oie canalisée. Housse en tissu ou en cuir, confectionnée avec des motifs en losanges, doublée de fibre anallergique.

L'appuie-tête du coussin Claire "Relax" inclut un insert en matériau antidéformant qui permet de maintenir le coussin adhérent au dossier du canapé. Fermeture à glissière en métal disponible dans les finitions Or mat et Étain, à curseur personnalisé avec le logo Minotti. Entièrement déhoussable.

N.B.: si le revêtement du coussin Claire "Relax" est en tissu, la partie appuie-tête est cousue avec un motif en losanges, tandis que la partie appuie-dos reste lisse.

MADE IN
100% **ITALY**

Il profilo che rifinisce braccioli e schienale è realizzato in ecopelle, un materiale lavabile a secco e in acqua, disponibile in una gamma di dodici colori esclusivi, proposti da Minotti in abbinamento ai tessuti della collezione a creare un leggero contrasto. L'abbinamento tra tessuti e profilo in pelle è a scelta del cliente. In assenza di precise indicazioni da parte del cliente, l'azienda provvederà ad applicare un profilo in ecopelle "tono su tono" rispetto al tessuto prescelto. Il divano Leonard può essere realizzato anche nella versione con profilo nello stesso tessuto del rivestimento. Nella versione in pelle, il profilo viene realizzato nella medesima pelle scelta per il rivestimento del divano.

The piping along the edges of the armrests and backrest is made of eco-leather, a washable and dry-cleanable material available in twelve exclusive colors, offered by Minotti to pair with the colors in the collection and create a subtle contrast. Selection of pairing options of the fabric and eco-leather piping is determined by the customer. If no selection is specified, the company will use a tone-on-tone combination of the eco-leather trim and the fabric selected. The Leonard sofa is also available in a version with piping in the same fabric as the rest of the upholstery. In the leather version, the piping is in the same leather as that used to upholster the sofa.

Das Profil, das die Linie der Arm- und Rückenlehne nachzeichnet, ist aus Kunstleder, ein Material, das Trocken- und Nassreinigung verträgt, erhältlich in zwölf exklusiven Farbtönen, die Minotti passend zu den Textilien der Kollektion ausgewählt hat, um einen leichten Kontrast zu schaffen. Die Kombination zwischen Stoff und Profil wird vom Kunden zusammengestellt. Ohne präzise Anweisung des Kunden sieht die Firma ein Kunstlederprofil vor, das "Ton in Ton" mit dem gewählten Stoff übereinstimmt. Das Sofa Leonard kann ebenfalls mit einem Profil aus dem gleichen Stoff, wie der Bezug geliefert werden. Bei der Variante mit Lederbezug wird das Profil aus dem gleichen Leder des gewählten Sofabezugs angefertigt.

Le cordon de finition des accoudoirs et du dossier est réalisé en éco-cuir, un matériau lavable à sec et à l'eau, disponible dans une gamme de douze couleurs exclusives proposées par Minotti en association avec les tissus de la collection pour créer un léger contraste. L'association entre les tissus et le cordon en cuir a été choisie par le client. En l'absence d'indications précises de la part du client, l'entreprise appliquera un cordon en éco-cuir "ton sur ton" en fonction du tissu choisi. Le canapé Leonard peut également être utilisé dans la version avec cordon du même tissu que le revêtement. Dans la version en cuir, le cordon est réalisé dans le cuir choisi pour le revêtement du canapé.
