

Circus Pouf

Designed by Simon Legald for Normann Copenhagen

A Playful and Sophisticated Companion

Introducing Circus Pouf Duo: The newest member of the Circus collection. The pouf's classic velour surface has been replaced with two wool textiles in complementing tones, resembling the distinctive stripes of a circus tent. The classic, yet quirky striped pattern adds character to the simplistic design and breathes new life to the popular pouf collection.

Circus Pouf Duo is adorned with two wool textiles: Canvas and Vidar. The colors in the Vidar collection are carefully curated by the internationally acclaimed fashion designer Raf Simons, who has re-colored the collection originally designed by Fanny Aronson. With rich and sophisticated colorations, Simons' Vidar collection adds a touch of elegance to the Pouf. Canvas is created by the color connoisseur Giulio Ridolfo, whose vibrant color palette suits the playful exterior of Circus. Both textiles are certified with the EU Ecolabel and Greenguard Gold, ensuring environmentally friendly products and high indoor air quality standards.

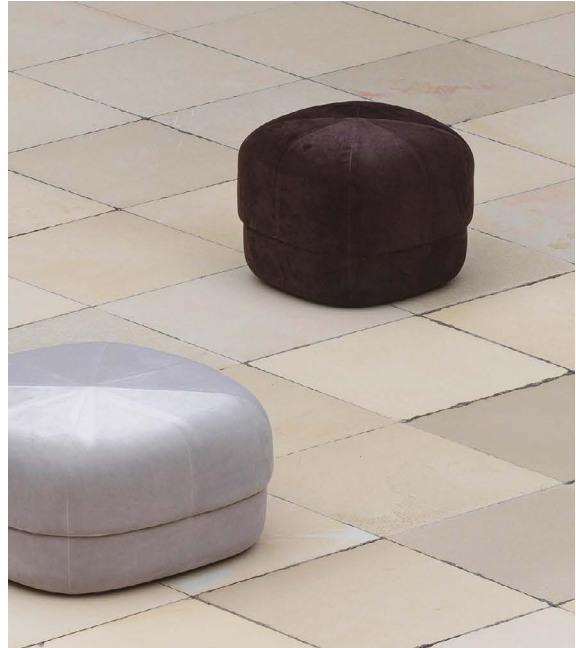

Popular Pouf in a Multitude of Colors

From warm, earthy shades over cool tones to vibrant color pops. The popular pouf, designed by Simon Legald, is available in a multitude of colors. Choose Electric Blue for a touch of extravagant futurism that will stand out anywhere or create a sophisticated depth of color with the dark brown variant, Coffee, which recalls the feeling of dark roast coffee in the morning. Or choose one of the newest additions where different nuances of the same color complement each other with the playful, striped design.

Circus' extensive color palette includes velvet upholstery with shades of Rust, Yellow, Dark Red, Light Blue, Dark Blue, Beige, Purple, Grey, and Blush. The numerous tones highlight the shimmering surface of the woven velour and add a touch of soft decadence to the pouf's organic and minimalist silhouette.

The new striped Circus Pouf Duo comes in eight shades of Rose, Black, Sand, Orange, Green, Blue, Yellow and Light Blue. The whimsical design spreads joy in the home and recalls childhood memories of the circus tent and the enchanting universe that awaits inside.

Circus makes it possible to create inviting, tactile environments which bring an element of warmth and depth to any décor. It is a versatile piece of furniture that can be used as an extension to your sofa, as a seat around a coffee table, or as a decorative seat in the bedroom, hallway or dressing room. Additionally, Circus Pouf comes in two different sizes, enabling it to fit seamlessly into any space.
