## An uncomplicated, familiar sofa design

Normann Copenhagen presents the new Rar Sofa collection. With its easy-to-like silhouette and impeccable comfort, Rar is an uncomplicated sofa collection that will adapt seamlessly to many interiors and tastes. Capturing the essence of its inviting nature, Rar takes its name from the Danish word for pleasant. Comprising an armchair, a 2-seater sofa, and a spacious 3-seater sofa, this collection embodies a humble design language that seamlessly integrates into any space.

Crafted with a focus on minimalistic lines and with attention to the smallest of details, Rar combines a sturdy wooden reinforcement structure, enveloped in sumptuous PU foam and exquisite textiles. The epitome of simplicity, the Rar design carefully emphasizes a select few refined elements, creating an ambiance of effortless sophistication. Notably, the meeting point between the armrests and the backrest makes an interesting detail, as the armrests elegantly frame the flat surface of the backrest. This discreet yet charismatic detail infuses the design with character and refinement.

The Rar collection offers three enticing variants to suit your personal style and spatial requirements. Whether you desire the intimacy of a 1-seater, the cozy companionship of a 2-seater, or the spaciousness of a 3-seater, the Rar Collection delivers seating options tailored to your needs. Furthermore, the thoughtfully curated upholstery selection offers the option to adapt the design to your unique aesthetic. Choose from Omaha Leather, a classic cognac leather exuding timeless allure, Re-Born, a contemporary dark gray fabric that effortlessly complements modern interiors, or Venezia, a sophisticated Off-White textile adding an air of elegance to any setting.

## Connecting People and Spaces

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design. By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design. Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
