

M64

Miguel Milá, 1964-2014
Hanging Lamp

reddot design award
winner 2013

An exponent of a time when Spanish industrial design was just establishing itself as a professional discipline, this lamp was awarded the Gold Delta in 1964, the highest distinction for a product in Spain. The jury that year was chaired by leading Swiss designer and artist Max Bill, a champion of the Ulm School, who eloquently promoted it to the ultimate award. As a result, Miguel Milá, the then young designer of the lamp, affectionately called it the MaxBill lamp, though today it is known as the M64.

To celebrate its 50th anniversary, Santa & Cole is now reediting it in an LED version, with minimal changes to the neck to fit the HeadLed capsule, which affords greater light efficiency and quality. The M64 comes in four finishes (white, black, bright brass and polished aluminium), once again demonstrating the exquisite timelessness of Miguel Milá's designs.

GENERAL DESCRIPTION

Capsule with LED module, translucent diffuser and heat sink with black matte finish.

4 lampshades options: polished brass, polished aluminium and black (exterior) or white matte aluminium.

3 metallic circular ceiling plate options with a smooth matte finish and power supply incorporated: white recessed (CE market) / white or black surface-mounted.

Electric cable length (black): 3 m / 117" - 8 m / 314.9".

LIGHT SOURCE

4 Module LEDs

Power system: 5 W

Operating current: 350 mA

T^a Colour: 2.700 K

Typical CRI: 83

Lifetime: 40.000 h

Luminous flux with LED capsule: 301 lm

LOR with lampshade:

- Polished brass: 68%

- Polished aluminium: 63%

- Black matte aluminium: 63%

- White matte aluminium: 69%

Built-in LED.

Energy efficiency class (E.E.C): A++... A.

Fixture suitable only for indoor use.

Always use this light source.

Input voltage: 108 ~ 264 VAC.

(50 Hz / 60 Hz) According to destination.

APROXIMATE WEIGHT (unpacked)

Weight with Brass lampshade: 1,35 kg / 2.98 lb

Weight with aluminium lampshade: 1 kg / 2.2 lb
