

Pico

design Barazzuol/Malisan

Coffee table with an elegant crossing legs with round top. Nicely combination of three dimensions or just even a single table can be used. The legs are made in solid oak, anthracite stained oak or American walnut and the tops in Touch (matt lacquer).

Table basses avec piètements croisés et plateaux ronds. Elles peuvent être utilisées individuellement ou dans des combinaisons juxtaposant les trois dimensions. Les pieds massif sont disponible en chêne, chêne teinté anthracite ou noyer américain. Les plateaux sont en Touch (laqué satiné).

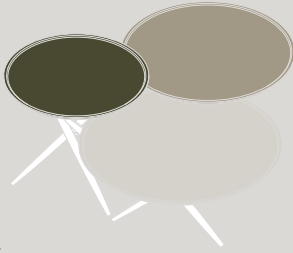

Pico ist der ideale und universelle runde Beistell- und Couchtisch in drei Größen. Das elegante und fein proportionierte, 3-beinige Massivholzgestell aus Eiche, Eiche anthrazit gebeizt oder amerikanischem Nussbaum zeigt beste Handwerksarbeit. Tischpatte in Touch (Mattlack).

Tavolino versatile con un incrocio elegante di gambe e con piani rotondi. Utilizzabile in combinazione con tutte e tre le misure assieme o anche singolarmente. Le gambe sono disponibili in legno massello di rovere, rovere antracite o noce canaletto. Il piano è in Touch (laccato opaco).
