

SERRALUNGA

Design: Alberto Meda - 2000

IN ORBITA

Alberto Meda's new proposal for the plant is green domestic guests. A futuristic shape spaceship, perfect and settled, landed from another planet with aliens on board wanting to meet us and live with us..... Be careful, they may fly away; position them far away from currents of air and near lighted areas.

Ø 67(41) x 20 cm.
