

Design: Paolo Rizzatto - 2008

NEW POT HIGH - MAXI

A flowerpot in the traditional shape of a truncated cone, almost an original model of the shape itself, to reply in an elementary way to the old needs, which has been interpreted in a new and refined manner. New-Pot comes to life with this exact idea, designed by Paolo Rizzatto, to perfectly combine functionality and aesthetics.

HIGH ø34 (28) x h 90 cm (DY 32) -
MAXI ø44 (37) x h 120 cm (DY 39)
