### PEDAL BINS

#### DESIGNER

Holger Nielsen, 1939

#### COUNTRY OF ORIGIN

Design: Denmark

Rubber: Produced in DK

Steel parts: Processed in Latvia

Assembled: Latvia

#### PRODUCT DESCRIPTION

The Vipp pedal bin is made with a layer of stainless steel and equipped with a damper mechanism for smooth closing of the lid as well as a rubber ring that guarantees air-tight closure. The body is manufactured in powder-coated steel and hides the removable, galvanised steel inner bin. A rubber ring at the base ensures that sensitive surfaces are safeguarded.

#### CARE INSTRUCTIONS

Stainless steel surfaces should be cleaned and polished with a microfiber cloth, glass cleaner or other non-abrasive and gentle cleaning agents.

Lacquered surfaces should be cleaned with a moist cloth.

Rubber parts should be cleaned with a moist cloth. Apply silicone spray for better finish.

Special Vipp bin liners can be purchased separately. Find your nearest dealer at [www.vipp.com](http://www.vipp.com).

Vipp products with dark surfaces should be cleaned with a soft brush and, if stained, with a bit of water. Then wipe with dry cloth.

#### WARRANTY

10 years warranty. The extended warranty is valid for products purchased in 2008 or later. The warranty pre-supposes rightful use as described in Vipps care instructions, with reservations for normal wear and tear. Please find Vipps care instructions at [www.vipp.com](http://www.vipp.com).
