WILD & SOFT

SPRING & SUMMER / 2017

VERY WILD

SOFT ANIMALS

Good news! Wild & Soft and BiBiB & Co are one entity. The two Belgian companies that have made home accessories and a love of nature, animals and fun their trademarks, are moving forward together as Wild & Soft. BiBiB & Co is bringing twenty years of experience, innovative products and a large network along with it.

Combining strengths and creativity creates a larger collection with more room for innovation. Plush animals on the wall, playful animal backpacks or complete Rataam! animal disguises that make every child feel like the king of the jungle are just the beginning. The collection is constantly expanding.

The animal heads by Wild & Soft are 100 percent Belgian designs and made with high quality materials. Because they are made by hand, every animal will be original and slightly different. They cheer up every child's room and guarantee years of friendship and a sense of security. The Wild & Soft animal heads are meant for the tiny tots, but we have not forgotten about the adults. Our ultimate aim is to make children and adults laugh. Onwards towards a wild and soft future.

Make them your best friend!
